PART 1: COMMITMENT

Statement of Commitment

Star of the Sea Catholic Primary School is committed to the safety and wellbeing of all students. Star of the Sea Catholic Primary School respects and values the dignity, self-esteem and integrity of every child and young person, based on our Christian belief that every person is made in the image of God and children and young people are entrusted to us by the love of God.

Vision Statement

Star of the Sea Catholic Primary School is committed to providing a dynamic learning environment, which strives to develop a culture of excellence in a faith-filled, inclusive community.

Mission Statement

Star of the Sea Catholic Primary School embraces a community of faith, commitment and compassion through our links with St Joseph’s Parish, Hervey Bay. A sense of family permeates throughout the school so that in the way of Mary, Mother of God, we live out our vision.

Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategy has been developed in compliance with our obligations under the Working with Children (Risk Management and Screening) Act 2000 and the Working with Children (Risk Management and Screening) Regulation 2011 to promote and protect children and young people. Star of the Sea Catholic Primary School is a systemic Catholic School in the Archdiocese of Brisbane which is administered by Brisbane Catholic Education (“BCE”).

Codes of Conduct

Brisbane Catholic Education has developed codes of conduct and standards of behaviour for employees, students, volunteers (including parents) and other personnel in consultation with relevant parties. These codes of conduct set out Brisbane Catholic Education’s requirements in relation to the conduct of employees who work at Star of the Sea Catholic Primary School, together with students, volunteers and other personnel at the school.

Brisbane Catholic Education employees who work at Star of the Sea Catholic Primary School are also bound to comply with Brisbane Catholic Education’s Statement of Principles for Employment in Catholic Schools and other relevant professional standards (for example, the Australian Professional Standards for Teachers and the Australian Professional Standards for Principals which describes effective, contemporary practice for teachers and principals).
BCE Employee Code of Conduct

The Catholic Education Archdiocese of Brisbane Code of Conduct (“Code of Conduct”) sets out the standard of behaviour required of BCE employees working at Star of the Sea Catholic Primary School. All Brisbane Catholic Education employees must comply with the Code of Conduct. It forms part of the contract of employment for all persons employed by Brisbane Catholic Education, including on a temporary, casual, fixed term or continuing basis.

The Code of Conduct states that Brisbane Catholic Education employees must behave professionally at all times in their interactions with students and observe appropriate boundaries, behaviour and contact with students. In addition, the Code of Conduct covers the employees’ duties in relation to risk management and duty of care obligations to students.

The Code of Conduct is uploaded on Brisbane Catholic Education’s Intranet (KWeb). The Principal at Star of the Sea Catholic Primary School conducts Code of Conduct training for school employees at the time of induction for all new staff and at least biannually for all other staff, and where appropriate, uses the training materials provided by Brisbane Catholic Education.

Student Behaviour Support Policy

Star of the Sea Catholic Primary School has developed a Student Behaviour Support Plan for the school, known as the Student Behaviour Support Plan in consultation with all groups in the school community and in accordance with Brisbane Catholic Education’s Student Behaviour Support Policy. The Student Behaviour Support Plan has been implemented for a whole school approach to support student behaviour in the school environment.

Star of the Sea Catholic Primary School’s Student Behaviour Support Plan reflects the shared values and expectations of the school to student behaviour support and encourages a supportive Catholic school environment. The Student Behaviour Support Plan includes a student code of behaviour which is guided by Brisbane Catholic Education’s Student Behaviour Support Policy. The Student Behaviour Support Plan is readily accessible to students and parents and is uploaded on the school’s website.

Volunteer Code of Conduct

Brisbane Catholic Education has developed a Volunteer Code of Conduct which outlines the standard of behaviour which is required of volunteers (including parents) in their activities in the school, including the need to think and act safely and treat students and staff with respect.

Star of the Sea Catholic Primary School takes the following actions to ensure that the Brisbane Catholic Education Volunteer Code of Conduct is implemented in the school community:

- all volunteers are given a copy of the Volunteer Code of Conduct;
- all volunteers are required to comply with the Volunteer Code of Conduct to continue their voluntary engagement at the school;
- all volunteers have completed Student Protection Training via the PowerPoint for Volunteers; and
- all volunteers must sign the Volunteer Register Sheet.
Other Personnel Code of Conduct

Brisbane Catholic Education has developed an Other Personnel Code of Conduct which outlines the standard of behaviour which is required of other personnel in their activities in the school, including the need to think and act safely and treat students and staff with respect. Other personnel includes music instructors, art instructors and sports coaches who use our school’s property and facilities in order to provide services or instruction to students, but who are not Brisbane Catholic Education employees.

Star of the Sea Catholic Primary School takes the following actions to ensure that the Brisbane Catholic Education Other Personnel Code of Conduct is implemented in the school community:

- all other personnel are given a copy of the Other Personnel Code of Conduct;
- all other personnel are required to comply with the school’s Other Personnel Code of Conduct to continue their activities and instructions at the school;
- all other personnel have completed Student Protection Training via the PowerPoint for Other Personnel; and
- all other personnel must sign the Other Personnel Register Sheet.

PART 2 - CAPABILITY

Procedures for recruiting, selecting, training and managing staff that enhance the safety and wellbeing of children and young people and the protection of children and young people from harm

Recruitment and selection

Star of the Sea Catholic Primary School aims to recruit and select employees that work with students in the school that are appropriately qualified and suitable for working with children and young people.

Star of the Sea Catholic Primary School is responsible for staff recruitment, selection, training and management of employees in the school in partnership with personnel from the Brisbane Catholic Education office.

Principals and employees involved in staff recruitment, selection, training and management of employees at the school must comply with the relevant Brisbane Catholic Education policies which are published on the Brisbane Catholic Education Intranet and include:

- Recruitment, Selection and Appointment of Teachers Procedure
- Recruitment, Selection and Appointment of Brisbane Catholic Education Office Staff
- Recruitment, Selection and Appointment of Middle Leaders
- Recruitment, Selection and Appointment (Acting Senior Leadership Positions in Schools)
- Recruitment, Selection and Appointment of P – 12 Heads
- Recruitment, Selection and Appointment of DPs, APs and APREs
- Recruitment, Selection and Appointment of Principals

In advertising new positions for the school, the advertisement states that “This position involves working with children. The appointment of a successful applicant will be subject to satisfactory employment screening for child related employment in accordance with the law”.

All non-teaching employees working at Star of the Sea Catholic Primary School are required to comply with Brisbane Catholic Education’s Blue Card Screening Procedures (discussed below). All non-teaching employees, volunteers and trainee students who work with students and who require a Blue Card under the Working with Children (Risk Management and Screening) Act 2000, are required to obtain a Blue Card and keep it current. All teachers are required to produce evidence of current teacher registration with the Queensland College of Teachers (“QCT”) before they commence work at Star of the Sea Catholic Primary School.

Training and Management of Employees

The Principal is required by Brisbane Catholic Education to ensure that all new Brisbane Catholic Education employees at Star of the Sea Catholic Primary School are provided with induction training on the school’s processes and procedures, the values and expectations of Brisbane Catholic Education and the standard of behaviour required of employees in their interactions with students, to support Brisbane Catholic Education and Star of the Sea Catholic Primary School to provide an environment that is safe and supportive for students.

All staff at Star of the Sea Catholic Primary School must complete mandatory online training in Brisbane Catholic Education’s Student Protection Processes, once every two years. Student protection training covers Brisbane Catholic Education’s requirements under the Student Protection Processes in relation to reporting by staff of suspicions or allegations of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

This training provides our staff at Star of the Sea Catholic Primary School with strong skills to effectively respond to and report suspicions or allegations, as required by law. In the alternate year, face to face refresher training for staff is conducted by the Principal at Star of the Sea Catholic Primary School. New employees must complete this training within four weeks of commencing work at the school.

Additional on-going training is provided by Brisbane Catholic Education and employees at the school are encouraged to attend. Brisbane Catholic Education has a dedicated Professional Learning Team which co-ordinates professional learning opportunities for Brisbane Catholic Education employees to enable Brisbane Catholic Education employees to enhance their professional or personal knowledge and skills. Star of the Sea Catholic Primary School encourages its staff to attend professional learning courses. Many of the courses offered to employees relate to the safety and wellbeing of students. For example, courses are offered from time to time on bullying at schools, behaviour management of students, students at risk of harm and students with special needs.

Where there is a complaint or allegation in relation to an employee of inappropriate behaviour, unsatisfactory performance or misconduct, the Principal (or in some cases, the Area Supervisor
or the Employee Relations Team at the BCE office) will take all appropriate management action, which may include requiring employees to undertake additional training, mentoring employees, explaining Brisbane Catholic Education’s and the school’s expectations and requirements to the employee or dismissal.

Brisbane Catholic Education provides the Employee Assistance program to give free and confidential counselling to employees at the school who require support.

**Other Brisbane Catholic Education Support for Student Wellbeing**

Star of the Sea Catholic Primary School recognises that students learn best in school environments in which they feel safe, both physically and emotionally. Brisbane Catholic Education has developed a number of policies, processes and resources to support the pastoral care and wellbeing of students at Star of the Sea Catholic Primary School. These are readily accessible to Brisbane Catholic Education employees on Brisbane Catholic Education’s Intranet. The Principal at Star of the Sea Catholic Primary School provides informal training, from time to time, at staff meetings and ‘in service’ days, so that employees at the school are aware of these policies.

These policies and processes include:
- Preventing and Responding to Student Bullying in Schools Policy
- Management of Drug Related Incidents in Schools
- Management of Police Interventions in Schools
- Management of Weapons in Schools Guideline
- Suicide Postvention Guideline
- Students with Disabilities Policy
- Student Attendance Policy and Guidelines
- Manual Handling – the Handling of Students Policy
- Administration of Medicine to Students Policy
- Positive Behaviour for Learning

Brisbane Catholic Education has a Student Wellbeing Team which supports Star of the Sea Catholic Primary School in the care and wellbeing of students at the school and develops strategies, policies and procedures to assist the school and students. Star of the Sea Catholic Primary School employs a School Guidance Counsellor to work with students and provide pastoral care, personal safety strategies, support for marginalised students and support for students who may be at risk of being harmed.

**PART 3 - CONCERNS**

**Policies and procedures for handling disclosures or suspicions of harm**

**Student Protection Processes**

Brisbane Catholic Education’s Student Protection Processes provide a process for all staff who work at Star of the Sea Catholic Primary School to recognise, respond and report allegations or suspicions of:
- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

The Student Protection Processes have been developed in accordance with the requirements of the Education (Accreditation of Non-State Schools) Act and Regulation 2001, the Education (General Provisions) Act and Regulation 2006, the Working with Children (Risk Management and Screening) Act 2000 and Working with Children (Risk Management and Screening) Regulation 2011, the Child Protection Act 1999 and the Education (Queensland College of Teachers) Act 2005.

The Student Protection Processes are also underpinned by the Archdiocese of Brisbane Catholic Education Council’s Student Protection Policy (2011) and complements the procedures developed by the National Committee for Professional Standards entitled Towards Healing – Principles and Procedures in Responding to Complaints of Abuse Against Personnel of the Catholic Church in Australia (2010) and the document entitled Integrity in the Service of the Church (September 2011).

Reports may be made to the Queensland Police Service in relation to allegations or reasonable suspicions of sexual abuse/likely sexual abuse of a student or to the Department of Communities, Child Safety and Disability Services for harm/risk of harm to a student caused by sexual abuse, physical abuse, emotional abuse or neglect. If a report is made in relation to inappropriate behaviour of a staff member towards a student, that report will be handled by the Principal, with support from Brisbane Catholic Education’s Professional Standards and Student Protection Team. All school based employees must complete mandatory on-line training on Brisbane Catholic Education’s Student Protection Processes every two years. The Principal must sign off that this mandatory training has been completed. Face to face refresher training is provided to staff in the alternate year to school based employees.

The Student Protection Processes are readily available for employees, parents, students and carers and Star of the Sea Catholic Primary School has uploaded the link to the Student Protection Processes on their school website.

Brisbane Catholic Education has processes to enable staff at Star of the Sea Catholic Primary School to complete on-line a Record of Concern about any student wellbeing concerns, including allegations or suspicions of sexual abuse or likely sexual abuse of a student, harm or risk of harm to a student or inappropriate behaviour of a staff member towards a student.

Brisbane Catholic Education has developed a complaints procedure to enable parents or students at Star of the Sea Catholic Primary School to make a complaint that the school has not complied with the Student Protection Processes. Parents or students may make a complaint via the Record of Complaint about Non-Compliance with Brisbane Catholic Education’s Student Protection Processes. The Principal or Area Supervisor will handle these complaints in accordance with Brisbane Catholic Education’s Procedure for Handling Complaints about Non-Compliance with Brisbane Catholic Education’s Student Protection Processes.

**School Student Protection Contacts**

In accordance with the Education (Accreditation of Non-State Schools) Regulation 2001, Star of the Sea Catholic Primary School has three stated staff members to whom a student can report behaviour of another staff member that the student considers is inappropriate.
The Principal is a Student Protection Contact at the school. The other Student Protection Contacts are staff members at the school. The role of the Student Protection Contact is to receive complaints and allegations from staff and students and to make or assist staff to make all reports as outlined in Brisbane Catholic Education’s Student Protection Processes. The identity of the Star of the Sea Catholic Primary School Student Protection Contacts is made known to staff, students, volunteers and parents though the school website, school newsletters, posters in the school and/or parent information nights.

Information about the Student Protection Contacts and requirements for their appointment is detailed within the Student Protection Processes.

**Student Protection Officers**

Brisbane Catholic Education has a Student Protection Team and Student Protection Officers working in this team are experts in the field of child protection. They all hold a degree in human services (generally social work) and have significant experience working in child protection.

Student Protection Officers assist our school based employees in assessing sexual abuse and likely sexual abuse and harm caused or at a risk of being caused to students by sexual abuse, physical abuse, emotional abuse or neglect. They also offer support and guidance to Star of the Sea Catholic Primary School during and after a student protection intervention, assist with compliance with the Student Protection Processes and develop and facilitate professional learning for staff.

**A plan for managing breaches of the Child and Youth Risk Management Strategy**

Brisbane Catholic Education and Star of the Sea Catholic Primary School takes any breach of the Brisbane Catholic Education Child and Youth Risk Management Strategy or the Star of the Sea Catholic Primary School Child and Youth Risk Management Strategy seriously. Breaches may be dealt with as follows:

- if the alleged breach relates to the actions of an employee, this will be managed, as appropriate, in accordance with its School Employee Misconduct Process, Office Employee Misconduct Process, Office Employee Unsatisfactory Performance Process or School Employee Unsatisfactory Performance Process;
- if the alleged breach relates to a report of inappropriate behaviour of a staff member to a student, this will be managed in accordance with the process set out in the Student Protection Processes;
- if the breach relates to a complaint made via the Record of Complaint about Non-Compliance with Brisbane Catholic Education’s Student Protection Processes, that complaint will be dealt with in accordance with the Procedure for Handling Complaints about Non-Compliance with Brisbane Catholic Education’s Student Protection Processes;
- if the breach relates to the actions of a volunteer, this will be dealt with in accordance with the Volunteer Code of Conduct and the procedures set out in the Student Protection Processes, as appropriate;
- if the breach relates to the actions of other personnel, this will be dealt with in accordance with the Other Personnel Code of Conduct and the procedures set out in the Student Protection Processes, as appropriate; and
• if the breach relates to the action of a contractor this will be managed in accordance with BCE’s contract with the contractor.

A risk management plan for high risk activities and special events

Risk Management Tools

Star of the Sea Catholic Primary School considers all curriculum activities in terms of their inherent level of risk. When undertaking a medium or high risk activity or special event, our school is responsible for identifying potential risks and considering the safety and wellbeing of students and the risk of harm to students.

Star of the Sea Catholic Primary School develops and implements an effective risk management plan to remove or minimise the risk of harm to students. The plan includes risk assessments and risk mitigation which are carried out for all medium or higher risk activities undertaken within the school and all activities undertaken outside of the school. Star of the Sea Catholic Primary School refers to information in relation to risk assessments for various activities and risk assessment tools provided on Brisbane Catholic Education’s Health and Safety Portal on the Brisbane Catholic Education Intranet.

The Health and Safety Team at Brisbane Catholic Education provides support to our school, if requested, to help us carry out risk assessments and develop and implement a risk management plan. In addition, a dedicated Workplace Health and Safety Officer (“WHSO”) is employed at Star of the Sea Catholic Primary School (who is required to complete a Certificate 4 in Workplace Health and Safety within 12 months of commencing the role). The WHSO’s role is to co-ordinate risk assessments at our school and support the Principal in carrying out the health and safety responsibilities under legislation. Brisbane Catholic Education provides training and updates to the WHSO.

Brisbane Catholic Education has developed a Contractor Induction Manual to give contractors information on Brisbane Catholic Education’s Workplace Health and Safety Contractor Management System at Brisbane Catholic Education schools, so that contractors working at Star of the Sea Catholic Primary School play their role in maintaining a safe environment for students.

Risk Management for Excursions and Fetes

The Principal is responsible for approving all excursions. The Principal has reference to Brisbane Catholic Education forms and fact sheets to assist in identifying, assessing and managing risks associated with excursions, for example, the Brisbane Catholic Education OH & S Fact Sheet: Excursions, OH & S Standard - Risk Management Form and the Risk Assessment Template Form. The Principal completes the Risk Assessment Template Form prior to each excursion. This form specifies that in carrying out a risk assessment, student protection risks must be assessed and managed.

The Principal completes the Brisbane Catholic Education Fete Safety Planning Checklist prior to a fete taking place. This Fete Safety Planning Checklist assists the Principal in managing the health and safety risks of conducting a fete. The Principal accesses links to relevant information provided on Brisbane Catholic Education’s Health and Safety Portal, to assist in the risk
assessment and management process, including the Fireworks Checklist, Amusement Devices Checklist, Contractors Workplace Health and Safety Agreement and information on the hygienic handling of food.

Other Strategies to Minimise Risks of Harm

Star of the Sea Catholic Primary School takes seriously its commitment in relation to the safety and protection of students. Brisbane Catholic Education has developed policies and procedures to manage risks of harm to students, which our school complies with, for example:

- **Supervision** – Star of the Sea Catholic Primary School manages the supervision of students appropriately to ensure that there is adequate supervision of students as detailed in the Code of Conduct.

- **Emergency** – Star of the Sea Catholic Primary School ensures that all employees are briefed to appropriately handle emergency situations and critical incidents in accordance with Brisbane Catholic Education’s Procedures for Responding to Critical Incidents.

- **Fire/Lockdown** – Star of the Sea Catholic Primary School ensures that all employees and volunteers are made aware of fire evacuation and lockdown procedures at the school.

- **Visitors/Outsiders** – Star of the Sea Catholic Primary School has procedures in place for the management of visitors and other outsiders, including relevant signage and directions, together with a visitor sign in register and procedures for signing in and out of the school.

- **Media/Communications strategies** – Star of the Sea Catholic Primary School obtains the permission of parents (using the Consent Form, All Forms of Media and Communications) for the use of student photographs and names in any materials issued to the public in printed or electronic form. Identifying information of students is not used in promotional material without the specific permission of the parents and the students concerned. Star of the Sea Catholic Primary School obtains the specific informed consent of parents for any publication of names and photos of students in the media outside the local school.

- **Computer/Internet** - All employees and students at Star of the Sea Catholic Primary School are required to observe the Brisbane Catholic Education Email, Internet and Intranet Acceptable Use Statement. Star of the Sea Catholic Primary School implements the Brisbane Catholic Education Acceptable Use of Computer and Internet Resource Consent Form in the school.
PART 4: CONSISTENCY

Policies and procedures for compliance with Chapter 8 of the Working with Children (Risk Management and Screening) Act 2000 (which regulates the Blue Card system)

Blue Card Requirements and Employee Register

Star of the Sea Catholic Primary School complies with Brisbane Catholic Education’s Blue Card Screening Procedure which details Brisbane Catholic Education’s requirements in accordance with the Working with Children (Risk Management and Screening) Act 2000 to ensure that the required personnel hold a Blue Card.

All employees, volunteers and trainee students who work at Star of the Sea Catholic Primary School with children under 18 years of age are required by our school to obtain and hold a Blue Card (unless exempt), including:

- all school based Brisbane Catholic Education employees who are not registered with either the QCT or the Australian Health Practitioner Regulation Agency;
- volunteers (who are not parents of enrolled children);
- preservice teachers undertaking practical teaching sessions as part of compulsory academic course requirements;
- self-employed people, paid employees and volunteers whose usual duties include, or are likely to include, the teaching, coaching or tutoring of a child, individually on a commercial basis;
- students who undertake formal traineeships as part of their studies which involve work in child related employment, including conducting sport and recreation activities directed at children; and
- school board members (excluding current parents on a board at their own child’s school).

A centralised register of Blue Card information for all paid employees, unless exempt, is maintained by Brisbane Catholic Education. Star of the Sea Catholic Primary School provides Blue Card information to the Brisbane Catholic Education office when an employee, unless exempt, is engaged. Star of the Sea Catholic Primary School ensures that details of any Blue Card renewals, applications and changes in status are also forwarded to the Brisbane Catholic Education office.

All teachers employed by Brisbane Catholic Education must be registered with the QCT. The Principal of Star of the Sea Catholic Primary School sights the original certificates of registration and qualifications before employment commences at the school. The Principal ensures that new non-teaching employees must have applied for a Blue Card prior to commencing work at the school.

Star of the Sea Catholic Primary School maintains a register of Blue Card information for all volunteers, unless exempt. Volunteers who require a Blue Card under the Working with Children (Risk Management and Screening) Act 2000 must obtain the Blue Card before commencing work.
**Procedures for reviewing the Child and Youth Risk Management Strategy**

To ensure that Star of the Sea Catholic Primary School Child and Youth Risk Management Strategy remains current and effective, this strategy will be monitored and reviewed annually. In the event that Star of the Sea Catholic Primary School identifies concerns, particularly following an incident, Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategy will be reviewed.

Issues to be considered in the review include:

- whether Brisbane Catholic Education and school policies and procedures were followed;
- whether any incidents relating to children and young people’s risk management issues occurred;
- the actual process used to manage any incidents;
- the effectiveness of Brisbane Catholic Education’s and Star of the Sea Catholic Primary School’s policies and procedures in preventing or minimising harm to children and young people; and
- the content and frequency of training in relation to Brisbane Catholic Education’s or Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategies.

Following the review, employees, parents and volunteers at Star of the Sea Catholic Primary School will be advised of any changes to Brisbane Catholic Education’s or Star of the Sea Catholic Primary School’s policies and procedures as a result of the review and where appropriate, training will be provided.

**Strategies for communication and support**

**Student Protection Training**

As discussed above, all staff working at Star of the Sea Catholic Primary School must complete mandatory on-line training on Brisbane Catholic Education’s Student Protection Processes. The Principal is required to sign off that every staff member has completed the course.

Brisbane Catholic Education’s Student Protection Processes are readily accessible to parents, students and staff at Star of the Sea Catholic Primary School and parents, students and staff are made aware of the processes and the process for reporting behaviour of a staff member that a student considers to be inappropriate. The Principal ensures that the ‘Recognise React Report’ posters are displayed prominently in areas of the school frequented by students.

**Training on the Child and Youth Risk Management Strategy**

Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategy is uploaded on the school’s website. The Principal implements and communicates Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategy to parents, employees, volunteers and other personnel by:

- placing the Child and Youth Risk Management Strategy on the school’s website; and
providing training to the school’s employees by giving details on Star of the Sea Catholic Primary School’s Child and Youth Risk Management Strategy and Brisbane Catholic Education’s Child and Youth Risk Management Strategy.
